

Art:

Children will develop their drawing and painting skills and be inspired by the work of: Alfred Wallis, L.S Lowry, Abigail Mill and Cezanne.

We will also focus on still life created from seaside objects.

P.E:

We will be following the Lancashire guidelines.

Sporting tournaments will feature throughout the term with Mr Stanton and Miss Hall.

Sports day will take place in July.

History:

Children will make comparisons and analyse trends between the different periods, focusing primarily on the period from the Victorian era to the present day.

D.T:

The children will learn about different seaside attractions such as lighthouses, illuminations, puppet shows and fairground rides. This will link to our Science topics.

During the Summer term we will be planning through a key topic. Our key topic for this term is **The Seaside** and most subjects will feature sensible links to the topic.

Geography:

We will study the physical and human geography of a seaside town and compare it with our local area through the use of maps, images and other sources of geographical information.

Music:

Children will put on a Punch and Judy show for children in KS1. They will compose their own music and include some well-known seaside songs. Year 6 will be focusing on their end of year performance.

Science:

Year 5 will be studying forces. We will be finding the effects of air resistance, friction and gravity. Year 6 will focus on electricity. They will construct simple series circuits and learn how to represent a simple circuit in a diagram using recognised symbols.

R.E -

Christianity

PSHE -

Life Education Bus
Changes and decisions

ICT -

Online safety.

Leaflets/brochures for British holiday destinations.

Numeracy:

Miss Sagar will be following the new framework for numeracy.

Literacy:

Mrs Johnson will be revising key concepts in SPAG and will also be focusing on short stories with flashbacks.
