

## Science

We will be learning about the simple functions of the basic parts of the digestive system in humans. We will identify the different types of teeth in humans and their simple functions. The children will learn about food chains and will identify predators and prey. Finally, we will learn how to have healthy gums and teeth.

## Computing

During this half term, we will be developing graphic, text and presentation skills. The children will create a multi-media presentation on their work in science. We will also look at spreadsheets and will be comparing data in tables. We will introduce the children to Google Sketchup. Our theme for eSafety will be cyber bullying and other risks posed by the internet.

## PE

Half of the class will be swimming during this term. PE in school will be taught by Mr Stanton and the children will be focusing on team games.

## Art and Design

We will make observational sketches of fruit and vegetables. We will add shade and tint to our work using powder paints. The children will be looking at the work of Cezanne and Renoir. We will use papier mache to make a fruit bowl!

French

The children will learn the names for different foods in French. We will also learn how to order food in a restaurant.

# Year 4 Spring 2

## THE ART OF FOOD!

### Reading

Please remember to do lots of reading at home this term. Try to learn lots of new words and talk about the difficult words that you read with an adult. You could also use a dictionary or the computer to research their meaning.

## MATHS

We will be following the Lancashire Planning starting with negative numbers.

## Music

The children will continue to learn how to play the guitar. We will be looking ahead and practising for our end of year concert.

## English

We will be reading the book 'Stone Age Boy' by Satoshi Kitamura. We will look at the issues in the story and will be inspired to write our own. The children will use paragraphs and adverb starters.

We are also looking at persuasive adverts and will focus on the different types of language used such as alliteration, rhetorical questions and snappy slogans. The children will design their own adverts.

RE—

During this half term, the children will learn about sacrifice. We will learn about famous Christians who made sacrifices such as Martin Luther King and Nelson Mandela.
